

Grabouw - Directions

Accessing the village of Grabouw from the Cape Town side, turn off from the N2 at the **ORCHARD FRUIT STALL** and proceed through the central business area until you get to the **2nd stop street**, where you turn **left into Worcester street**. Drive for approx. 1 kilometer and after the last town houses, turn right at the **sign: ELGIN/GRABOUW COUNTRY CLUB**. Cross the railway line and immediately **turn left on tar road to the Country Club**. After approx. 1 km., where the tar road makes a 90 degree turn to the right, you will see the entry gate and sign boards of MTO FORESTRY right in front of you and a small wooden kiosk just through the gate on the right. This is where you must leave the tar road and proceed straight - through the gate onto the gravel road. From the gate, **stay on the wide MOST used dirt road** and follow the sign posts for 4 km **until you get to the Eikenhof house**, where you turn right immediately before the house down a slightly narrower road to get to the Lapa Cottages.
